THE BOARD OF DIRECTORS' PROPOSAL FOR A RESOLUTION UNDER ITEMS 1, 2, 3, 6, 7, 8 AND 9

Item 1 – Election of a chairman of the meeting

The Board of Directors proposes that the Chairman of the Board, Lennart Svantesson, or, in his absence the person proposed by the Board of Directors, is appointed chairman at the EGM and keeper of the minutes.

Item 2 - Election of one person to attest the minutes

The Board of Directors proposes that Lennart Svantesson, or, in his absence, the person appointed by the Board, be elected to approve the minutes of the EGM together with the Chairman.

Item 3 – Preparation and approval of voting list

The voting list proposed for approval is the voting list drawn up by the Company, based on the EGM's share register and advance votes received, as verified and recommended by the person approving the minutes of the EGM.

Item 6 – Approval of the Board of Directors' resolution on a new share issue

The Board of Directors proposes that the general meeting resolves to approve the Board of Directors' resolution on a new share issue of not more than 2,700,000 shares, entailing an increase in the share capital of not more than SEK 243,000. The resolution shall otherwise be governed by the following terms and conditions.

1. The right to subscribe for the new shares shall, with deviation from the shareholder's pre-emption rights, only be granted to Erik Penser Bank AB acting as settlement bank in the issue and which subscribes for shares on behalf of a number of institutional investors.

The rationale for deviating from the shareholders' pre-emptive rights is to enable a capital raise in a time- and cost-efficient manner for the financing of the Company's acquisition of Agent Video Intelligence Ltd ("Agent VI") and to strengthen the company's working capital.

2. The subscription price per share shall be SEK 0,09, corresponding to the quota value of the shares.
3. Subscription through subscription list for the newly issued shares shall take place no later than on 21 September 2021. The board shall be entitled to extend the subscription period.

4. The new shares shall entitle to dividends from and including the first record day for dividends following the registration of the new shares in the shareholders' ledger of the company maintained by Euroclear Sweden AB.

The CEO, or any person appointed by him, shall have the right to make any adjustments or amendments to the above resolutions that may be required in connection with the registration of such resolutions and to take any other measure deemed necessary for the execution of the resolutions.

Item 7 – Resolution to authorise the Board of Directors to resolve on new share issues for the acquisition of Agent VI

As announced through a press release on 2 September 2021, the Company has entered into an agreement to acquire all shares in Agent VI. The purchase price for the shares in Agent VI shall for the majority part be paid through newly issued shares in the Company and the remaining part in cash.

The Board of Directors proposes that the extraordinary general meeting resolves to authorise the Board of Directors to, for the period until the end of the next annual general meeting, on one or several occasions and with or without deviation from the shareholders' preferential rights, to resolve on new share issues to finance the part of the purchase price for the acquisition of Agent VI that is to be paid through newly issued shares in the Company.

An issue is to be carried out by contribution in kind or set-off. An issue may only take place on the terms agreed between the parties in the agreement regarding the acquisition of the shares in Agent VI. Deviation from the shareholders' preferential rights may only take place in connection with the acquisition of Agent VI and the reason for the deviation from the shareholders' preferential rights is to pay the purchase price regarding the acquisition of Agent VI.

Item 8 – Proposal to resolve to elect the number of members of the board of directors

It is proposed that, provided the acquisition of Agent VI is completed, for the period until the end of next annual general meeting, set the number of members of the board of directors in the Company to six, no deputies.

Item 9 – Proposal to resolve to elect a new member of the board of directors

In connection with the acquisition of Agent VI and following a proposal from the Board of Directors of Agent VI, certain of the Company's larger shareholders, representing approximately 43 per cent of the outstanding shares, has undertaken to vote in favor of a proposal to elect Dorian Barak as member of the board of directors of the Company on the extraordinary meeting on 22 September 2021, for the period until the end of the next annual general meeting, provided the acquisition of Agent VI is completed. Provided that the extraordinary general meeting resolves to elect Dorian Barak as new board member, the board of directors will consist of Lennart Svantesson (Chairman), Anna Ahlberg, Johan Zetterström, Nils Malmros, Anders Långsved and Dorian Barak.
